# DVD Movie Collection for Children in Hospitals

**September is National Childhood Cancer Awareness Month.**

One way Team Will is getting involved is collecting DVDs (rating: G, PG and PG-13) for Sutter Memorial Hospital. Hospitals can never have enough videos for the children staying for treatment.

If you can help, please send your DVDs to:

**Team Will at 4119 McKinley Blvd.,  
Sacramento, CA 95819**

by Tuesday, September 21, 2010. Pending the number of DVDs received, we will share the bounty with Kaiser Permanente and UC Davis Medical Center in the Sacramento region.

- Special donations can be made via TW's Paypal located on the homepage at [www.team-will.org](http://www.team-will.org). Just make sure you make a note in the special request with "DVD Campaign."
- Coupon Cards for various vendors (i.e., blockbuster, etc.) can be provided in lieu of a DVD.
- DVD's don't have to have the cover so long as they are in good condition.

**Team Will** riders will deliver the DVD's by bike to various hospitals in the Sacramento Area (pending the number of DVD's we receive).
